OFFICE  
SECRETARY OF THE ARMY

OACSI/Western Division  
Major Peixotto/75121  
22 September 1962

SUBJECT: Soviet Equipment in Cuba (U)

TO: Assistant Secretary of the Army (FM)

PURPOSE

(U) To list, for your information, the types of equipment which the USSR may have furnished to Cuba.

FACTS

1. (S/NR) Inclosure 1 lists types of major items of equipment whose presence in Cuba is confirmed or considered likely. This list also includes items which have been furnished to other non-Bloc countries. A comparison indicates possible future shipments of other types of equipment to Cuba.

2. (S/NR) Soviet practice in providing equipment to satellite countries has been:

a. No [REDACTED] have been given to the Satellite Armies, nor is there any intention of a Soviet intention to do so in the foreseeable future.

b. No [REDACTED] is known to exist in Satellite territory.

c. To our knowledge no [REDACTED] have been provided to any Satellite force.

3. (S/NR) There are preliminary indications that [REDACTED] soon may be operational in some Satellite Armies.
